Continuation of Substance of Interview including description of the general nature of what was discussed: The Applicant's Attorney initially brought to the Examiner's attention that the Office Action mailed on 11/29/05 did not address the claims in the preliminary amendment filed on 05/13/02. The Applicant's Attorney has also previously faxed a copy of the return postcard, dated 05/13/02 with the stamp of OIPE (Office of Initial Patent Examination), which indicated a preliminary amendment was filed. The Examiner indicated to the Applicant's Attorney in this phone interview that the preliminary amendment was not entered in the system and consequently only the original claims were examined. In view of the fact that the preliminary amendment was not entered in the system the Examiner in this phone conversation has informed the Applicant's Attorney that the Office Action mailed on 11/29/2005 has been vacated. Since Applicant's Attorney has agreed to refile the preliminary amendment, a new action addressing the preliminary amendment is forthcoming.
